WHAT IS DAI-ICHI ACTIVE CARE

Risk of accidents is always present when we are at work or play no matter how careful we can be. Dai-ichi Active Care is a plan that provides a comprehensive cover for people who are always on the go and active. It provides benefit payments upon death or disability caused by accidents. It also pays for disability due to dismemberment or permanent loss of use of parts of the body that can affect livelihood. Dai-ichi Active Care also offers the option to be covered for medical expenses associated with hospitalization due to accidents
